Sir:

Appellant appreciates the courtesies shown to Appellant's representative by Examiner Listvoyb in the February 16, 2011 interview. Appellant's separate record of the substance of the interview is incorporated into the following remarks.

As discussed during the interview, upon receipt of a second Examiner's Answer with a mailing date of February 9, 2011 ("Second Examiner's Answer"), Appellant's representative contacted Examiner Listvoyb to determine why the Second Examiner's Answer was issued.

Examiner Listvoyb responded that the Second Examiner's Answer was sent because the first Examiner's Answer mailed September 10, 2010 ("First Examiner's Answer") was not signed by each of the conferees from the Appeal conference. Examiner Listvoyb further stated that except for the signatures, the Second Examiner's Answer is identical to the First Examiner's Answer. Finally, Examiner Listvoyb stated that he would ensure that the above application is passed to the Board of Patent Appeals and Interferences ("Board") for a decision without further response required from Appellant.

Should the Examiner believe that anything further is necessary to ensure this application is promptly forwarded to the Board, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
